

Dear Community Member,

We've greatly appreciated your past sponsorship of The Haven's Annual Golf Outing, which is held each August with all proceeds benefiting the Haven's Life Recovery Programs (Men's AND women's programs!)

Last year's Golf Outing raised approximately \$12,000 for the Life Recovery Programs (or "LRP's" as we call them) – which are intensive, faith-based 12-month residential programs for men, and women with or without children, that help break the depressing cycle of substance dependency and homelessness, and gives people new hope in a life based on God's Word working in them.

More than 45% of the students in our Life Recovery Program classes graduate, find jobs, obtain independent housing and return to productive lives in our community. Less than 15% of our graduates ever relapse – a very strong rate of success for rehabilitation programs.

This year's Golf Outing is slated for Friday, August 18th at Binder Park Golf Course. This year we anticipate the golf outing to be bigger than ever, and we have lots of exciting plans, awards and prizes for participants.

We hope you will consider being an event sponsor again this year. Enclosed are flyers with some of the details.

Please call us at **269-788 -0975** to discuss sponsoring the Golf Outing, or if you have any questions. We hope to hear from you!

Sincerely,

Daniel Jones
